We have an exciting opportunity at Croft Medical Centre

Vacancy for Salaried GP

Would you like to join our dynamic, friendly and supportive team?

We are a compassionate team working together to deliver high quality care to our patients. Our practice consists of five Partners and three Salaried GPs. We have a long-standing history of providing high quality GP Training, FY2 Supervision and undergraduate teaching for both Leicester and London based medical students. We provide opportunities for any incumbent to become actively involved in the teaching, training and supervision of our trainees and where necessary help develop the competencies of an effective educator.

We are a supportive practice and positively encourage the development of additional skills and personal development in leadership and management of all our staff. We strive to maintain a good work life balance by offering flexibility around the working day and support remote working, should it be preferred.

We are actively involved in a high performing Primary Care Network. Through our PCN we can provide a full compliment of allied health professionals to support the delivery of care to our patients daily:

- Pharmacist Hub support (deal with all medication queries daily)
- Health and Wellbeing Team including Social Prescribers
- First Contact Physiotherapists
- Mental Health Practitioners
- Care Coordinator to support the development of care plans and QOF
- Head of Medicines Management & Research
- Document management processes

Please apply with a CV and covering letter to: Sarah Reynolds – Operations Manager email: sarah.reynolds39@nhs.net . If you would like to arrange an informal chat, please contact us and we will arrange for one of our partners to give you a ring.
